JEW DAVID'S HEBREW PLASTER.

ME great remedy for rheumatism, gout, pain in the side hip, back, limbs, and joints; scrofula, king's evil, white swellings, hard tumors, stiff joints, and all fixed pains what-ever. Where this plaster is applied, pain cannot exist. These plasters possess the advantages of being put up in air-tight boxes: hence they retain their full virtues in all

This celebrated Pain Extracter has been so extensively used by physicians and the people in general, both in this country and Europe, that it is almost needless to say any thing about it. Yet there may be some who stand in need of its healing powers who have not yet tried it. For their sakes we will simply state what it has done in thousands of cases, and what it will do for them when tried.

A voice FROM GEORGIA. -Read the following testimonials from a physician: Gentlemen: Your Hebrew Plaster has cured me of pains, of which I have suffered for twelve years past. During this period, I have labored under an affliction in my loins and side, and tried many remedies that my own medical experionce suggested, but without obtaining relief. At length I used your Plaster, and am now, by its good offects, entirely cured. I will recommend the Jew David or Hebrew Plaster to all who are suffering from contraction of the muscles, or permanent pains in the side or back.

The people of Georgia have but to become acquainted with its virtues when they will resort to its use.
Yours truly, M. W. WALKER, M. D.,

Yours truly, Forsythe, Monroe county, Ga. To Messrs. Scovil & Mead, New Orleans, La.

JEW DAVID'S OR HEBREW PLASTER IN NORTH CAROLINA. Mesers, Scovil & Mesd: I have been troubled with the chronic rheumatism for the last twelve years. On the 1st of July, 1849, I was so bad that I could not turn myself in bed. and the pain so severe that I had not slept a wink for six

days. At this time my attending physician prescribed the "Hebrew Plaster," and it acted like a charm;—the pain left me, and I slept more than half the night, and in three days I was able to ride out. I consider the Hebrew Plaster the best remedy, for all sorts of pains now in use.

The lands in the foregoing townships lie from 16 to 24 miles west of Helena, a considerable town on the Mississippi river, the county seat of Phillips county, in the vicinity, and partly above and partly below the road from Helena to Little Roads partly Big Charles and Big Ch tle Rock, near Big Creek, a branch of White river, which is navigable about five months in the year-from 7 to 20 miles from the nearest landing on St. Francis river, a stream always navigable for steamboats.

There are settlements adjoining or near all these tracts,

and that region of country upon the peninsula formed by the Mississippi and White rivers, and intersected by the St. Francis and Big Creek, is destined to be one of the richest in America. Township 3 south, range 4 east.

South half of section 12, containing three hundred and twenty acres of first-rate Mississippi bottom land, about five miles south-west of Helena, within two miles of the river, two-thirds of which are above the highest floods.

Except the last-named tract, all of the foregoing are up-

lands, most of them well adapted to the growth of cotton, and some of them equal to any uplands in the cotton-growing States. They are all adapted to the growth of wheat, corn, potatoes, peaches, and all other products of the United States, except oranges and sugar. Cattle are raised in that region almost without labor, as they feed on the cane, which continues grown during the winter. which continues green during the winter. Proximity to the New Orleans market, and a navigation

where slave property is more secure.

These Lands will be sold to the highest bidder, one half of the purchase money to be paid in hand, and the balance in one and two years, with interest. A good title with wurranty will be given by the undersigned (Amos Keudall) at the time of the sale, the subsequent payments beings seource by mortgages.

Proposals for private purchase will be received by John B. Horner, Esq. of Helena, or Amos Kendall, of Washington city, until the day of sale. AMOS KENDALL FRANCIS P. BLAIR, JOHN C. RIVES.

HARDWARE AND CUTLERY, FALL STOCK FOR 1852 THE undersigned are now in receipt of their entire stock of HARDWARE and CUTLERY for the Fall Trade, and in 'ealling the attention of the merchants of Tennessee, Kentucky, and North Alabama, to their stock now in store, they feel confident that it will be found to compare favorably, both as to quantity and assortment, with that of any other House in the country.

Experience has already demonstrated to the satisfaction of a large majority of dealers in this section of the country, that in the article of Hardware at least, the Nashville market is preferable to those of New York and Philadelphia; for

that in the article of Hardware at least, the Nashville market is preferable to those of New York and Philadelphia; for the simple reason that this description of goods will not bear the heavy expenses of transportation which must necessarily accrue when brought through by canals and railroads. The undersigned are also enabled to place their customers on an equal footing with those purchasing in any other market, from the fact that their European goods being all imported direct from the manufacturers by way of New Orleans without touching New York, thus enabling them to offor their goods at a small advance on importation cost.

Merchants, Blacksmiths, Carpenters, &c., visiting Nashville are invited to call and examine their stock before purchasing.

DR. BLEDSOE'S ALTERATIVE COMPOUND

DR. BLEDSOF'S ALTERATIVE COMPOUND

The Remedy over all Remedies for the Diseases of the Liver Dyspepsia, Enlargement and Inflamation of the Spleen Heartburns, Coile Flatalence, Files, Constirpation, all diseases of the Bowels, and such diseases as arise from a disorderd state of the Slomach, Liver or Bowels, as Scrofula and Sores of any kind. For General Debility, from which Ladies frequently suffer, there is not its equal in the whole Materia Medica.

THE inventor of this preparation was for three years s completely prostrated from Dyspepsia and inactivity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought aid from physicians at home and in Ecrope, but in vain; his case was pronounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing medicine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have been by its success, as shown by the certificates which have been

Bledsoe and some years ago he was reduced I sel eve lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspepsia and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his own in being restored to good health.

HUNTSVILLE, January 12, 1852. Dr. Bleison:—I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery. I concluded to try your Alterative two bettless of which by cluded to try your Alterative, two bottles of which, I believe, entirely cured him. MICAJAH CAYCE.

HUNTSVILLE, Oct. 17, 1852. Dr. Blanson:-Some time has elapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saying to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being persuaded to try your alterative compound, I did so and I am happy to say, that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

N. B. ROBERTSON.

HUNTSVILLE, Sept. 29, 1851. Dr. Blenson—Having seen the publication of your Alterative Compound, I think it my duty te say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is given. ven by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which was relieved me in every attack in less than an hour.

GILES COUNTY, Tenn., Dec. 23, 1851.

DR. BLEDSOR:—I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely relieved me, so that I have not had cause to take anything in two months. I can out anything I want with impunity, and believe my health is as good as it ever is at my advanced age.

Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD. Henryville, Ala., August 24, 1851. This is to certify, that I had suffered for many years with Dyspepsia and Diseases of the Liver. Physician after Physician had prescribed for me without my receiving any benefit, when I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint ance.

JOSEPH CAROTHERS.

HUNTSVILLE, Ala., March S, 1852. Dr. Blebson:—Sin: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I amst say, that for years 1 suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I commenced taking your compound about nine weeks since, and have gained 25 or 30 pounds, and feel about as well as I ever did. HENRY J. GOFF.
